Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: Claims 7-10, 14, and 22-24 are allowable over prior art references because related references do not disclose receiving a power offset value which is the difference in transmission power between a beacon channel and a physical or additional channel, receiving the beacon channel, physical or additional channel, and power offset value, and obtaining the received code power of the beacon and physical/additional channel, wherein a path loss estimate is based on the received code power and the power offset value.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
